

## Action Research: A Methodology for Change and Development

By Bridget Somekh

Open University Press. Paperback. Book Condition: new. BRAND NEW, Action Research: A Methodology for Change and Development, Bridget Somekh, This book presents a fresh view of action research as a methodology uniquely suited to researching the processes of innovation and change. Drawing on twenty-five years' experience of leading or facilitating action research projects, Bridget Somekh argues that action research can be a powerful systematic intervention, which goes beyond describing, analyzing and theorizing practices to reconstruct and transform those practices. The book examines action research into change in a range of educational settings, such as schools and classrooms, university departments, and a national evaluation of technology in schools. The opening chapter presents eight methodological principles and discusses key methodological issues. The focus then turns to action research in broader contexts such as 'southern' countries, health, business and management, and community development. Each chapter thereafter takes a specific research project as its starting point and critically reviews its design, relationships, knowledge outcomes, political engagement and impact. "Action Research" is important reading for postgraduate students and practitioner researchers in education, health and management, as well as those in government agencies and charities who wish to research and evaluate change and development initiatives. It...
