AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Mind Is Sorry The Body Suffers, is Peterson s first collection of poems and drawings. In this work, he searches for simplicity and an understanding of the upper and lower natures of humanity. It is an unique mix of styles covering a vast field of emotions and a balanced perception of concepts and morals. His style uses interesting rhythms, vivid, and intriguing imagery, to the point where you not only want to recite them but be in the words and between them. Note the first poem and how Peterson begins with the blissful naked beauty of, To Love You. You can hear the crumbling leaves and smell a rain storm coming in the spooky Howard. He makes the dull monotony of riding the bus fun and relatable in, Bus Ride and transports you through a weirdly abstract dream in, Grieving at a Memorial. Peterson easy captures the essence of every couples longing for youthful romance and love in, Yellow Rose. Peterson s drawings are as deep as his poems and they offer a raw poignant addition. They appear serene, flow loose, and free, tempting you to explore and contemplate your thoughts as well as your surroundings. This will definitely educate your perception.
