Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Until the passage of the National Wildlife Refuge System Improvement Act of 1997, the refuge system was the only major federal public lands network without a basic statute providing a mission for the system, policy direction, and management standards for all of its units. The Improvement Act gave the refuge system a unifying mission - to administer a national network of lands and waters for the conservation, management, and, where appropriate, restoration of the fish, wildlife, and plant resources and their habitats within the United States for the benefit of present and future generations of Americans. The legislation also called for FWS to plan and direct the continued growth of the system in a manner designed Page 8 GAO-08-797 Wildlife Refuges This item ships from La Vergne,TN. Paperback.
