Brand New Book ***** Print on Demand *****.Never underestimate what can happen. 2072; Anarchadia; a poor little rich girl and a boy from across the tracks have fallen in love and are living on a prayer within the merciless grip of unrelenting tribulations. Well, alright. Dylan s mother killed a woman after the effort began. Then she took Dylan and her sisters and his cousins out into the woods and kept them as hostages for two years. One day Dylan was chopping wood and he heard a rushing sound coming at him, so he bashed this wolf in the face and killed it. Later that day, when he told his mother what happened, she sent him back to fetch the carcass, and that was when Dylan saw the first wolves running up on his camp. He got into a tree just in time, but it was too late for the others. My Dylan took an axe and killed every last one of those wolves as they feasted on his entire family. There were nine of them! Then! He was lost in the forest for 7 days! Until I found him at a blackberry patch. My family took him in, but they were giving him a real bad time because they convinced themselves he was rabid after I told them what happened. So we ran away. We lived in Estuary Way through the winter, and we came here to get out of Babylon before Dylan turned 18. Now we re here. That s all.
