RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 34 pages. Original publisher: Washington, D. C. : U. S. General Accounting Office, 2003 OCLC Number: (OCoLC)53835959 Subject: Employees -- Rating of. Excerpt: . . . The Forest Service began considering new budget and work-planning Forest Service Has systems in April 2000 and August 2001, respectively, long before the Chief Developed Two Systems emphasized his intention to get started on performance accountability in That Should Be Part of a July 2002. These new systems should be integral parts of a performance Performance accountability system, but the Forest Service has not developed clear Accountability System, but linkages between these new systems main outputs - budgets and work It Has Not Established activities - and its strategic goals and performance results. Without these Clear Linkages between linkages, the agency will not be able to report in an integrated, results-oriented way on what activities it completed, how much they cost, and These Systems and Its what they accomplished - key elements of any effective performance Strategic Goals and accountability system. Performance Results In June 2000, the House Committee on Appropriations reported it was concerned that the agency devoted too much of...
