The Soul Comes First: Spiritual Literalism and Christian Theology (Hardback)

By Brian Balke

Trafford Publishing, United States, 2014. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In considering the dance between God and Humanity, attempts to interpret the Bible as historical fact have led to unfortunate confusion and dissension. By looking at the Bible as a spiritual history, another interpretation becomes clear: the Bible records the Divine effort to prepare Human Nature for a privileged role in healing the wound of selfishness. Join us on a journey from Genesis to Revelation, a journey that demonstrates complete consistency with Darwinian evolution, and offers the heartening conclusion that flawed Humanity is not the source of all evil in the World, but actually the best hope for its healing.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
