Brand New Book ***** Print on Demand *****.Excerpt from **An Egg Check List of North American Birds: Giving Accurate Descriptions of the Color and Size of the Eggs, and Locations of the Nests of the Land and Water Birds of North America** The unprecedented interest manifest in the delightful study of Birds, their nests and eggs has, within the past few years called forth numerous works on the subject, and the literature of the study has vastly increased, especially in this country, where the held is comparatively new. The present publication is an entirely new departure from the beaten paths of voluminous works. It treats especially the subject indicated in its title. Probably no one has felt the need of a work of this character more than the writer. In making a life business of Natural History, I receive numerous inquiries of the following nature - often, written on postal cards: Please describe the eggs of the following birds for me; also state the location where I am likely to find their nests, i. e., Carolina Wren, Red-tailed Hawk, Kingfisher, Blue-yellow-backed Warbler, and be particular in describing the nidification of the Blue Grosbeak and Canada Grouse. I quote the above from a postal card recently received, and which is undoubtedly from a young student of Oology. It would be almost impossible for me to reply fully to all communications of this kind which I receive in the course of a year. These interrogatives led me to put in a condensed form the descriptions which are now before the reader, and as the author of the first Egg Check List of North American Birds, I venture its publication and await the results. The species of...
