Barbour. The aim of the committee has been to make such a selection as will represent the very best products of hymnology up to the present day. There will be found here the richest and most stately hymns of the Christian church, together with an admixture of such of the more modern popular hymns as are worthy of being placed in such company. It is hoped and believed that the book will be found useful in the deepening and strengthening of the most genuine spiritual life and in fostering a love for such music as will permanently enrich mind and heart. It will be observed that Christian life is viewed in both its subjective and objective aspects, and that due emphasis in the selection of hymns is placed upon the work of man for man and upon the advancement of the all-embracing Kingdom of God. It is earnestly hoped that Fellowship Hymns may prove helpful to Young Men s and Young Women s Christian Associations, to Church Brotherhoods and kindred organizations, and that the collection may find wide-spread welcome and usefulness in the devotional meetings of the Christian church.
