

Strategies at Hand: Strategies for Working with Students on the Autism Spectrum: Quick and Handy

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

STRATEGIES AT HAND: STRATEGIES FOR WORKING WITH STUDENTS ON THE AUTISM SPECTRUM: QUICK AND HANDY

AAPC - Autism Asperger Publishing Co., 2008. Softcover. Book Condition: New. Convenience is a luxury that most parents and educators don't experience often. Strategies at Hand reintroduces the much-valued concept of convenience to parents, teachers, paraprofessionals, and related professionals who work with students with autism spectrum disorders. It features easy-to-implement strategies that can be used in all types of educational settings and situations. This at-your-fingertips tool is broken down into five color-coded sections that are easy to locate and use: ? Learning Environments (classroom, field trips, etc.), ? Areas of Student Need (communication, behavior, etc.), ? Transitions (substitute teachers, school assemblies, etc.), ? Alphabetical Explanations of Terms (functional behavioral assessment, picture communication systems, etc.), plus Resources and References. The bookmark size and unique binding of Strategies at Hand make for a format that lends itself to be stuck into a smock, apron, or pant pocket. The authors created Strategies at Hand so that tried-and-tested strategies and tips would be handy semester after semester. In support of this goal, the slim pages are coated to withstand constant use. "This convenient little tool box is full of at-your-fingertips strategies for supporting students on the autism spectrum ? in the classroom, on field trips, at assemblies, on the school bus, in the cafeteria and more. Each colored-coded tip card is bursting with behavior interventions, communication systems, sensory and social strategies, reinforcement methods, positive behavioral supports, etc."?Joanna L. Keating-Velasco, instructional aide and author of A Is for Autism, F Is for Friend and In His Shoes, A Short Journey Through Autism.
