---

By Rita Mulcahy, Martha Young

Pearson Education (US), United States, 2009. Paperback. Book Condition: New. 229 x 188 mm. Language: English . Brand New Book. Real-world project management tools and techniques you can start using today! IT professionals are often faced with extremely challenging project deployments, as well as initiatives that are mission-critical to their organizations. For IT project managers, a strong understanding of the discipline of project management can be invaluable-both to success with individual projects and to their overall careers. However, most books and training materials on project management pay little or no attention to the unique challenges IT project managers face. PM Crash Course(TM) for IT Professionals is full of project management tools that you can apply immediately to your IT projects-to deliver them on time, on budget, and with fewer headaches. Authored by world-renowned project management trainer Rita Mulcahy, this book will help you get your IT projects back on track using proven, real-world project management tools and techniques. This revolutionary Course in a Book(R) covers the basics of project management, including planning, scheduling, budgeting, and more. It also moves beyond the basics to cover a number of real-world project management tools and techniques for IT initiatives. The authors provide indispensable...

### Reviews

*Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).*

**-- Prof. Edgar Kshlerin**

*It is easy in study safer to comprehend. It can be writter in basic phrases and never confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.*

**-- Emmitt Harber**
