HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Gareth Malone's Guide to Classical Music: The Perfect Introduction to Classical Music, Gareth Malone, Have you ever been carried away by a piece of classical music? In this funny, evocative, personal book, previously published as 'Music for the People: The Pleasures and Pitfalls of Classical Music', Gareth takes us on a journey of musical discovery that explains and entertains in equal measure. Have you ever been carried away by a piece of classical music? The sad song of a single violin might make us cry, but the idea of finding out more about classical music can often be intimidating. There are musical terms we don't recognise, dead composers we can't connect with, and a feeling that we were never given the right tools to appreciate, understand, and most importantly, enjoy classical music. So who better to cut through the misconceptions and the jargon than the star of BBC2's Bafta award-winning series The Choir, Gareth Malone. Over the course of three series, Gareth has unearthed a passion for classical music in schoolchildren, reluctant teenage boys, and even a whole town. With his infectious enthusiasm and gift for explanation, Gareth's very personal narrative will provide a foundation of classical music understanding and give the reader the tools to appreciate a whole new world of music - from Bach to Beethoven and beyond. So whether you want to learn more about the great composers, introduce an almost infinite variety into your iPod playlist, or are just curious about what you might be missing out on, Gareth Malone's Guide to Classical Music will leave you entertained, informed and completely inspired.
