THE DESKTOP STUDIO: REVISED EDITION

Hal Leonard Publishing Corporation. Paperback. Book Condition: New. Paperback. 280 pages. Dimensions: 10.9in. x 8.5in. x 0.9in. (Music Pro Guide Books and DVDs). When the first edition of The Desktop Studio appeared five years ago, computers were in the process of taking over the recording business. That job is now complete not only in the way music is recorded, but in the way its written, distributed, and heard. Today, new software instruments, amp simulators, and effects stand alongside the ever evolving...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.

This is the very best ebook i have got study until now. This is for those who statte there had not been a worth reading. You can expect to like the way the writer write this book.
-- Jeffrey Ritchie

Absolutely among the best publication I have at any time go through. It is definitely basic but shocks from the 50 % of the book. I discovered this book from my i and dad advised this publication to find out.
